Why cash matters

What disappears without cash.

- **Private by default**
  No one records what you buy or where.
- **Works offline**
  No power, no signal, no bank required.
- **Instant and final**
  No fees, no holds, no middleman.
- **Money you hold**
  Not a number someone else can freeze.

WHAT YOU CAN DO

Pay cash.

Ask for cash.

Tell one person.
